

ABOUT OUR CAMP

(M-F 9am-4pm)

Our camp specializes in teaching **Chinese Martial Arts** (a.k.a. Kung-Fu) to students with a variety of experience levels ranging from beginner to advanced. Campers will learn self defense, increase their physical strength, stamina, and mental concentration while also improve upon their self-respect, politeness and perseverance.

In addition to martial arts, campers will also enjoy many **other sports activities** like badminton and table tennis. The curriculum includes rules of the game, basic techniques, and strategies of the game. We also offer painting, Chinese paper-cutting, and origami classes for younger children. Through our Mundelein training center with over 22,000 sq feet of professional training space, CMAA has further emphasized the commitment to being the best.

Daycare Program

Our camp also offers an optional daycare program from 8am-9am and 4pm to 6pm for busy parents. Students participating in the daycare program will be exposed to activities like reading time, board games, and media time.
